ORDER IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA,

Saturday, the 2nd day of June, 1894.

PRESENT :

HIS HONOUR THE LIEUTENANT-GOVERNOR
IN COUNCIL.

WHEREAS by section 13 of the "Legislative Electorates and Elections Act, 1894," it is provided that no applicant for registration as a Provincial voter shall be listed or registered as such voter unless and until he shall have made satisfactory answer to the interrogatories mentioned in the preceding section of the said Act, but no express provision has been made for fixing the time after making answer to the interrogatories when the applicant for registration shall be entitled to be registered as a voter, neither has express provision been made for the making and disposal of objections to applicants being registered as voters after making answer to the interrogatories :

And whereas a Writ of Election, bearing date the 2nd day of June, 1894, has been issued for a general election, and it is desirable to make provision under which all persons qualified to be voters and who have sent in their claims to vote at the date of the issue of such Writ, and have complied with the provisions of section 13 of the said "Legislative Electorates and Elections Act, 1894," should be registered as voters and entitled to vote at the said general election, and for this purpose to dispense with the necessity for posting the names for two months previous to entering the same on the Register of Voters as required by section 6 of the Provincial Voters Act :

Therefore His Honour the Lieutenant-Governor has ordered, by and with the advice of the Executive Council, and it is hereby ordered as follows :—

1. It shall be the duty of each Collector of Voters to transfer to and enter upon his Register of Voters the names of all persons who on or prior to the 2nd June, A.D. 1894, shall have sent in their claims to vote, and shall have complied with the requirements of section 13 of the "Legislative Electorates and Elections Act, 1894," notwithstanding that such names may not have been posted for two months as required by sub-section (6) of section 6 of the Provincial Voters Act.

2. Each Collector shall forthwith post up in his office a list of all names so transferred to the Register of Voters, and a copy thereof shall be placed in some conspicuous place on the outside of the door of such office.

3. Any voter may by written notice to the Collector to be given not less than eighteen days before the election, object (stating the ground of such objection) to the retention of any name or names entered under authority of this order upon the Register, and it shall be the duty of such Collector forthwith to cause written notice of such objection to be mailed to the person whose vote is objected to, and that he will hear and decide such objection on a day to be named by the Collector in such notice.

4. The Collector shall hold a Court on the tenth day before the election (not being Sunday, and if Sunday then on the ninth day) for the purpose of hearing and deciding all objections, notice of which have been given as aforesaid, to the retention of names on the Register under authority of this order, and at such Court shall retain the name upon the Register of Voters or erase it therefrom according to law. Compliance with section 13 of the "Legislative Electorates and Elections Act, 1894," shall be *prima facie* evidence entitling the voter to have his name retained on the Register.

5. An appeal shall lie from the decision of the Collector in manner provided by section 19 of the "Legislative Electorates and Elections Act, 1894."

THEODORE DAVIE,

Attorney-General and Clerk of the Executive Council.

Copy of a Report of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 7th day of June, 1894.

5. Each Pound-keeper shall make a monthly return to the Council comprising the above information, and any other particulars that may be required of him, and such return shall be verified by the statutory declaration of the Pound-keeper, if so required.

6. Each Pound-keeper shall pay over to the Treasurer of the Municipality all money received by him once in every month, or oftener if instructed so to do, and shall at all times produce his books, receipts and vouchers for the inspection of any member of the Council, or the Treasurer, when requested so to do.

3. The Municipal Council shall from time to time appoint a member of the medical profession to be Medical Health Officer, at such salary or remuneration as the Council may think fit to provide, whose duties may be defined by by-law or by resolution of the Council from time to time, or by instructions from the Reeve.

(f.) Make a general report to the Council, on or before the fifteenth day of December in each year, upon the sanitary condition of the municipality.

5. The Council may from time to time appoint a Sanitary Inspector or Inspectors at such salary or remuneration as the Council may decide.

6. The Sanitary Inspector shall—

(c.) Assist the Medical Health Officer in any duties which require such assistance:

(d.) Perform the duties hereinafter indicated as belonging specially to him, and enforce the observance of the statutes, or by-laws, or regulations respecting the public health in the Municipality, or within the jurisdiction of the Corporation, and generally to obey and carry out the intentions and directions of the Reeve, the Board of Health, and the Medical Health Officer, in matters relating to the public health or the removal of nuisances.

7. In the event of a Medical Health Officer not being appointed, it shall be lawful for the Reeve, upon being informed that any family or person is in sickness and destitute to require some member of the medical profession to visit such person or family, and to take such measures for their relief as to him may seem requisite, either by reporting them as fit subjects to be removed to a hospital or other place provided for that purpose, or by supplying them, or directing them to be supplied, with the requisite medicine for their relief, and a regular and correct account of each case, and of any such expenditure, shall be kept by him, and a return of the same shall be made to the Reeve by the Sanitary Inspector.

8. In case of the sickness or absence of the Medical Health Officer, it shall be lawful for the Reeve to appoint some member of the medical profession to perform all or any of his duties during such sickness or absence: and the Reeve may at all times call in and

On the occurrence of any case of small-pox, cholera, or other disease of an infectious, contagious, or malignant character, the Medical Health Officer may at once remove the person attacked to the hospital, tent, or other place provided, or shall cause such person to be otherwise efficiently isolated, and shall take proper measure for the disinfection, or if necessary the destruction of all clothing which may have been exposed to contagion, and for the disinfection and purification of every conveyance, rail, or tramcar, steamboat, sailing vessel, carriage, or other vehicle which may have been exposed to contagion.

10. The Medical Health Officer may further isolate or remove all persons who may have been exposed to the contagion, and no such person shall go, or be permitted to go, abroad until the Medical Health Officer permits, nor until the clothing or effects worn or carried by him have been properly disinfected, if the same have been exposed to contagion.

11. Whenever a disease of a malignant character is discovered to exist in any premises, the Medical Health Officer may compel the occupants of such premises to remove therefrom, and may place them in sheds, tents, or other shelter in some other locality until measures can be taken for the cleaning and disinfection of such premises.

12. In case any traveller coming from without the Municipality, or any person residing in the Municipality, is infected with or exposed to any of the diseases mentioned in this by-law, the Medical Health Officer may make effective provision in the manner which to him shall seem best for the public safety by removing such persons to a separate house, if he considers the premises to be in a too closely populated portion of the Municipality, or by otherwise isolating him, if it can be done without danger to his health, and by providing nurses and other assistance and necessities for him, at his own cost or charges, or the cost of his parents or other person or persons liable for his support.

13. Whenever an infected person shall be isolated in a house or any other place whatsoever, the Medical Health Officer may appoint and employ a proper person or persons, to keep constant watch over the house or place where such infected person shall be kept, and not to permit ingress or egress to or from such house or place, except to a duly qualified medical man attendant upon such infected person, or other person by the permission of the Medical Health Officer, and any person accepting the duty of watchman, who shall depart from his duty as watchman, or shall neglect his duty, or who shall permit of ingress or egress to or from the infected premises, or any communication therewith contrary to this rule, or who shall disobey, or fail to observe any direction of the Medical Health Officer relative to the duties of such watchman, shall be liable to a penalty of fifty dollars, to be recovered upon summary conviction, or in default of payment be liable to three months imprisonment with or without hard labour.

14. Any person who shall, contrary to the preceding section, depart from or enter any such house or place as is mentioned in this by-law wherein there shall be any person infected with small-pox, or who shall carry or remove, or permit to be carried or removed, any article or thing from such house or place, shall be subject, on summary conviction, to a penalty of one hundred dollars, or to three months' imprisonment with or without hard labour.

15. If the Medical Health Officer or Sanitary Inspector believes that any person is infected, or has been exposed to infection, or that his or her clothing or other effects contain infection, either of them may detain such person and his or her clothing and effects aforesaid, and such person and the clothing and other effects shall be at once disinfected.

16. If the Medical Health Officer only suspects that any person or the effects of any person have been exposed to infection he may keep such person under observation.

17. Whenever a person suffering from smallpox, cholera, or any other disease of a malignant character

dangerous to the public health, is an inmate of any hotel or boarding-house, the keeper or one of the keepers of such hotel or boarding-house shall immediately give notice thereof to the Medical Health Officer or the Sanitary Inspector, who shall thereupon take such steps as may be deemed necessary to prevent the spread of such disease.

18. Every person in charge of a public or private hospital, and every keeper of a boarding or lodging house, or hotel, shall immediately report in writing to the Medical Health Officer of any person being at any of the aforesaid houses or hotels and attacked with or suspected of having any contagious or infectious disease mentioned in this by-law.

19. No child, minor, or person from any house where any person or persons is or are sick or affected with any of the diseases named, as provided for in this by-law, shall attend any public or private school in the Municipality until the recovery or death of said sick person or persons, and in either event the said child, minor, or person shall be provided with a written statement by the attending physician, if any, and if not, then by the Medical Health Officer, certifying to their being free from contagion or infection, which statement must be presented to the principal or teacher of said public or private school before said child, minor, or person will be allowed to attend.

20. It shall be the duty of any principal or teacher of any public or private school in this Municipality to report at once to the Medical Health Officer, in writing, any violation of the above section.

21. If any teacher resides or lodges in any house where infectious or contagious disease exists, such teacher shall at once inform the Board of School Trustees under which he or she acts, and he or she shall not again enter his or her school, or other public place, until all danger of carrying infection or contagion is over, duly certified by a physician or the Medical Health Officer.

22. The Medical Health Officer is hereby empowered to visit any and all public and private schools in the Municipality, and to make, or cause to be made, an examination of the children and minors in attendance therein as often as he may deem necessary to secure compliance with the provisions hereof.

23. Every school teacher shall attend to and observe such suggestions and instructions as may be given by the Medical Health Officer in regard to ventilation and cleanliness in the school under his or her charge.

24. Every medical practitioner attending or visiting any person who is suffering from small-pox, cholera, or any other disease of a malignant character dangerous to the public health, shall immediately give notice thereof to the Medical Health Officer or the Sanitary Inspector, who shall thereupon take such steps as may be deemed necessary to prevent the spread of such disease.

25. Every practising physician in the Municipality shall report in writing to the Medical Health Officer the death of any of his patients who shall have died of contagious or infectious diseases mentioned in this by-law immediately thereafter, and to state in such report the specific name and type of such disease.

26. Every physician in attendance upon any person or persons sick or affected with any disease named and provided for in this by-law shall give all necessary instructions regarding the thorough ventilation and cleansing of the public house, hotel, or private residence wherein such person shall be sick, and the keeper of such public house or hotel, or the owner or occupant of such private residence, shall follow the instructions of the physician in attendance, as aforesaid.

27. No person shall let or hire, or allow any other person to occupy any house, or part of a house, in which there has been any person sick or affected with any disease named and provided for in this by-law, without having first had the said house, or part of a house, thoroughly disinfected, together with any article or articles therein contained, and under the direction and to the satisfaction of the Medical Health Officer that the said house, or part of a house, can be safely occupied by others, or that such article or articles can be safely handled or used.

28. The Medical Health Officer shall have charge of the quarantine or infectious disease hospital provided by the Corporation, and shall have power, when authorized by the Reeve, to detail such number of officers, and to employ such persons' assistance and nurses as he may deem necessary, and to see that the said hospitals are supplied with suitable furniture, nourishment, fuel and medicines, and that persons dying therein, or in other place under the charge of

the Municipality, are properly buried, and if necessary at the expense of the Municipality.

29. The Medical Health Officer shall have power to destroy or disinfect, as in his judgement may be deemed proper, any furniture, wearing apparel, goods, wares or merchandise, which shall be exposed to, or infected with, a contagious or infectious disease, and the owner of such property shall not be entitled to any compensation therefor.

30. The Medical Health Officer shall cause to be affixed and maintained, or shall require the occupants of any dwelling-house, store, shop or other building in which there shall be any person sick with small-pox, varioloid or other infectious, contagious or malignant disease, to put up and maintain in a conspicuous place on the front of the said dwelling-house, store, shop or building, a card or sign to be furnished by the Board of Health, on which shall be written or printed in large letters the word "small-pox," or name of such disease, and the Medical Health Officer may if he considers the premises to be in a too closely populated portion of the Municipality, or that the premises occupied by the patient are unsanitary and unsuitable for proper attendance or care, or for the prevention of the spread of the disease, and that the health or life of the patient will not be endangered by removal, order the removal of the patient to the quarantine or infectious diseases hospital, or such place as may be provided by the Municipality for that purpose.

31. In the event of the patient being treated at the premises in which he or she was taken ill, and is not removed by the order of the Medical Health Officer for the Municipality to the quarantine or infectious disease hospital, or such place as may be provided by the Municipality for that purpose; all expenses connected with the treatment of the patient and isolation of the premises, and of the occupants shall be borne and paid by the patient and the occupants, or his or their guardians, or the person or persons liable for his or their support.

32. When any vessel coming from an infected locality enters the port of Victoria, the Medical Health Officer shall make or cause to be made a strict inspection of the vessel and examination of the passengers, officers, and crew, before any person, luggage, or freight, or other thing is landed, or allowed to be landed from it, and where any infected or exposed person is found on board, he shall be dealt with in such manner as the Medical Health Officer for the Municipality shall direct, and no luggage, freight or other thing shall be landed from the vessel until they shall have been thoroughly disinfected.

33. The Medical Health Officer or the Sanitary Inspector may board all trains and vessels arriving within the limits of the Municipality; may take, in respect of any persons' baggage, freight, or effects arriving by any train or vessel, any sanitary precautions, which, in the opinion of such Medical Health Officer or Inspector, are necessary or expedient for guarding against the introduction of disease into the Municipality.

34. The Medical Health Officer or the Sanitary Inspector may attend at the railway station or steamboat wharf at any time prior to the arrival or departure of a boat or train.

35. The Medical Health Officer shall have power to stop, detain and examine every person or persons, freight, cargoes, boats, railway and tramway cars coming from a place infected with a malignant, pestilential or infectious disease, in order to prevent the introduction of the same into the Municipality.

36. Where there is reason to suspect that any person who has small-pox, diphtheria, scarlet fever, cholera or typhoid fever, leprosy, or any infectious, contagious, or malignant disease, is in or upon any railway or tram-car, steamboat, stage, or any other conveyance, the Medical Health Officer or Sanitary Officer of the Municipality, or if there is no such officer, any member of the Board of Health, may enter such conveyance and cause any such person to be removed therefrom, and may detain the conveyance until it is properly disinfected, or such officer or member may, if he thinks fit, remain on or in, or re-enter, and may remain on or in the said conveyance, with any assistants he may require, for the purpose of disinfecting the same.

37. No person, persons or body corporate shall bring into this Municipality from any vessel, building, place or railway car in which had lately been any person sick of any contagious or infectious disease mentioned in this by-law, or any article or person whatsoever, nor shall any such person come into said Municipality without permission in writing of the Medical Health Officer; neither shall any person, persons or body corporate bring into the Municipality any vessel, or

railway, or tram-car, or conveyance in which there has been lately any person infected with, who has died from any contagious or infectious disease mentioned in this by-law, without the written consent of the Medical Health Officer or the Sanitary Inspector.

38. No owner, driver, or person in charge of any cab, omnibus, railway, street railway or tramway carriage, or of any other public or private conveyance, shall use, or permit the same to be used, for the conveyance of any person sick or affected with any of the diseases named or provided for in this by-law, nor for the conveyance of the body for burial, or otherwise, of any person who has died from any of the said diseases, without the permission of the Medical Health Officer; and every undertaker or other person who, with a hearse or other vehicle, removes or conveys therein, for burial or otherwise, the corpse of any person who has died of any of such contagious or infectious disease, is hereby required to have such cab, omnibus, street railway or tramway carriage, or any such public or private conveyance, or hearse or other vehicle, thoroughly disinfected.

39. No person shall give, lend, transmit, sell or expose any bedding, clothing or other article likely to convey any contagious or infectious disease, without having first taken such precautions as may be directed by the Medical Health Officer for removing all danger of communicating such disease to others.

40. No person or persons who have been affected with any of the diseases named and provided for in this by-law, who have been quarantined or isolated in any place established under the provisions of the "Municipal Act, 1892," the "Municipal Act Amendment Act, 1893," or this by-law, shall be allowed to leave such quarantine or infectious diseases hospital without permission in writing of the Medical Health Officer.

41. No person having the small-pox, varioloid, or other contagious disease shall go about the city, or in any yard, common, or place so as to endanger the health of others.

42. Whenever it shall appear to the Reeve, the Medical Health Officer, or the Sanitary Inspector that it is necessary for the preservation of the public health, or for the abatement of any nuisance or of anything dangerous to the public health, or whenever the Reeve shall receive a notice signed by two or more ratepayers of the Municipality stating the condition of any building in the Municipality to be so filthy as to be a nuisance, or dangerous or injurious to the public health, or that upon any premises in the Municipality there is any foul or offensive ditch, gutter, drain, privy, cess-pool, ash-pit, or cellar kept or constructed so as to be a nuisance or dangerous to the public health, or that upon any such premises an accumulation of dung, manure, offal, refuse, stagnant water, or other matter or thing is kept or permitted to remain so as to be a nuisance, or dangerous or injurious as aforesaid, it shall be the duty of the Sanitary Inspector (or any officer of the Corporation), and he is hereby authorized, to enter such building or premises for the purpose of examining the same, and if necessary to order the removal of any such matter or thing as aforesaid; and the owner, lessee, or occupier of or person using said premises, or the agent or representative having charge or control of such building or premises, shall within twenty-four hours after receiving a notice to remove or abate any such matter or thing as aforesaid, remove or abate the same accordingly. In case he shall neglect or refuse to remove or abate the same accordingly, it shall be lawful for the Sanitary Inspector, or any officer of the Corporation, to cause such matter or thing to be removed or abated, and the costs and expenses thereof shall be forfeited and paid by the person in default, and may be recovered from the person or persons so neglecting or refusing, and he shall be also subject to the penalties imposed by this by-law.

43. The Medical Health Officer or the Sanitary Inspector shall have power to abate, or cause to be abated, summarily, and by force if necessary, any nuisance likely to be injurious to the public health, and may cause the persons or corporation responsible for the nuisance to be prosecuted, and they may also cause the nuisance to be abated or removed at the expense of the person or corporation so offending.

44. The Sanitary Inspector or the Medical Health Officer shall examine into all nuisances, sources of filth, and causes of sickness in the Municipality, or in any vessel within the limits of the Municipality, that may in his or their opinion be injurious to the health of the inhabitants, and shall cause the same to be destroyed, removed, or prevented as the case may require, and shall further inquire respecting articles that are capable

of containing or conveying infection or contagion brought or conveyed into the Municipality by or through any vehicle or vessel, by any means whatever.

45. If the Medical Health Officer or Sanitary Inspector is satisfied upon due examination that a cellar, room, tenement, or building within the Municipality occupied as a dwelling place has become by reason of the number of occupants, want of cleanliness, the existence therein of a contagious or infectious disease, or other cause, unfit for such purpose, or that it has become a nuisance, or in any way dangerous to health of its occupants, or of the public, he may issue a notice to such occupants, or any of them, requiring the said premises to be put in proper sanitary condition, or if he sees fit requiring the occupants to quit the premises within such time as he may deem reasonable. If the person so notified, or any of them, neglect or refuse to comply with the terms of the notice, every person so offending shall be liable to the penalties of this by-law. The Medical Health Officer may cause the premises to be properly cleaned at the expense of the owner or occupants, or may remove the occupants and close up the premises, and the same shall not be occupied until put into proper sanitary condition, or the Board of Health, if it sees fit, may cause such premises to be destroyed.

46.
